

The Crazy Factory for A1 mini

This guide contains only the additional steps for the A1-mini version. Follow the Main Assembly Guide for the base assembly and consult this document only for A1-mini-specific steps.

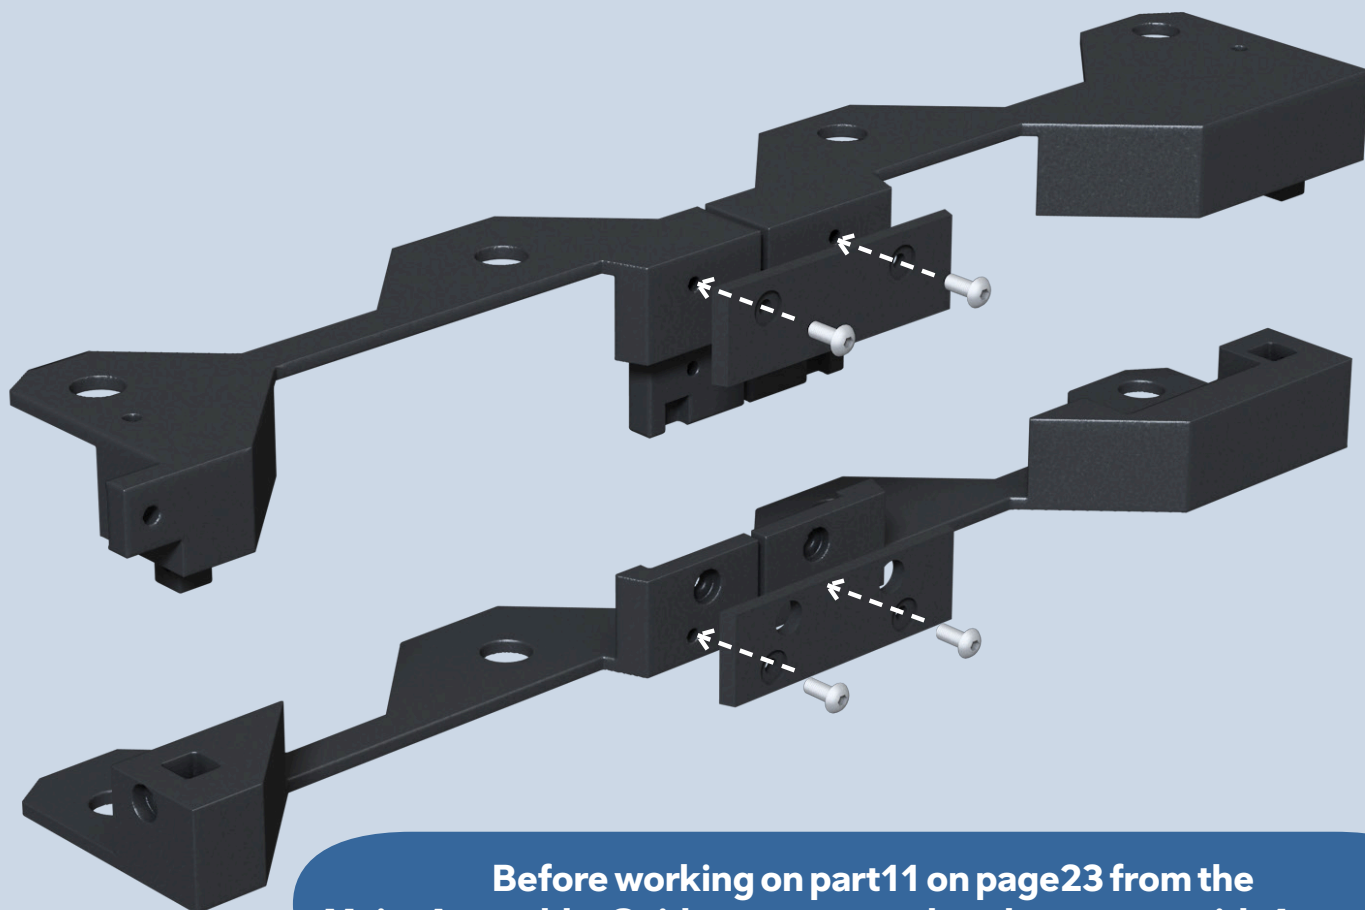

**Skip the Page 3 of the Main-Assembly-Guide.
Puzzle together all base plate parts and screw it
as shown.**

Glue together the Main House.

Before working on part11 on page23 from the Main-Assembly-Guide, screw together these parts with 4 screws.
